# Individual Support - Disability Skill Set

This skill set is for people working in various care and support roles in the community services and disability sector who wish to develop skills in providing person centred support to people with disability. The skill set is an accredited program for **new or existing workers** in the Community Services and Health Industry in a role involving provision of direct client care or support. Students **must already hold a Certificate III** in Individual Support - CHC33015 (or equivalent).

**Qualification:** CHCSS00098 Individual Support – Disability Skill Set

There are 4 Units of Competency which must be completed to achieve this Skill Set:

- CHCDIS001 Contribute to ongoing skills development using a strengths-based approach
- CHCDIS002 Follow established person-centred behaviour supports
- CHCDIS003 Support community participation and social inclusion
- CHCDIS007 Facilitate the empowerment of people with disability

**These units of competency are compiled into the following topics:**

- the social model of disability
- the impact of social devaluation on an individual's quality of life
- competency and image enhancement as a means of addressing devaluation
- principles of:
  - strengths-based practice
  - person-centred practice and empowerment
  - community inclusion and best practice examples
  - duty of care vs dignity of risk
- legal and ethical considerations for working with people with disability
- privacy, confidentiality and disclosure
- active support, active listening
- strategies to create independence

**Who should do this course?**

- Disability support workers
- Community support workers
- Care services employees
- Personal care assistants

*\*Course participants **must** be currently working within the Disability or Community Services sector.*

**Why you would undertake this study?**

- Opportunity for you to advance in your sector
- Enhance your career path with Nationally Recognised skill set.
- Enhance your value to your workplace
- Improve your job satisfaction
- Meet your facility's accreditation standards
- NDIS compliant
- Enhance your skills for client care
- Achieve modules that will be recognised in a Certificate IV in Disability CHC43115

**What is required in the course?**

- 4 modules of training requiring written answers to activities, case studies and a little research. (this can be done in a variety of combinations – distance, workbooks and face-to-face)
- Assessment in your place of work with a combination of direct observation and third-party reports.
